#### **Presentation of second quarter 2022**

25 August 2022

## Highlights

Delivering proven customer experiences in challenging environment – robust operations with regularity close to 100%

New partnerships to benefit customers – Widerøe and Norse Atlantic Airways co-operation

Quarterly earnings (EBT) NOK 1,248 million – headwinds from fuel, FX and strike, aircraft order gain – preserving robust liquidity position

Boeing aircraft order for 50 new aircraft – fleet renewal at attractive terms

#### **Bringing passengers to summer destinations**

- → Successful ramp-up for summer season with regularity close to 100%
- → Getting customers to their destinations
  wet-lease to avoid cancellations
- → Strong yields and record high unit revenue

#### **Booking momentum**

- → Customers booked later this summer than previous
- Encouraging booking trends for autumn
  customers planning next holiday
- → Corporate travellers valuing Norwegian's regularity on strong on-time performance

#### Attractive autumn & winter program

- → 232 routes on offer across attractive network
- → Preferred travel partner with strong brand loyalty

#### 7-day rolling sales figures (abs) – All markets\*

\*Travel anytime, company data as of 22 August 2022

### **Securing modern long-term fleet**

#### Agreement to purchase Boeing 737 MAX 8 aircraft

- Reached agreement at favourable terms
  attractive pricing and inflation protection
- → Order for 50 aircraft delivery 2025-2028
- → Option for 30 aircraft delivery 2028-2030

#### Improving financial flexibility

- → NOK 2.1bn gain from prepayment reinstalment
  strengthening equity position
- → Significant share to be owned reducing overall financing cost
- → Cost effective aircraft with latest technology

#### Sustainable and cost-effective aircraft

- → Fuel-efficient aircraft with latest technology
  14% lower fuel-burn than previous generation
- → Strong footing to deliver 45% emissions reduction by 2030

Financial results for Q2 2022

## **Quarterly financial highlights**

Q2 2022
